Representatives of ODP and DDO/IMS also attended. We are exploring having this firm come up with a "special application" for CRAFT at overseas locations to quickly and efficiently wipe out classified data on disk packs in the event of a sudden emergency necessitating same. (U)

d. Two members of the Safety Group met with representatives of the Division of Consultation, Training and Inspection, Office of Federal Agency Safety and Health Programs, Department of Labor. The Agency's Safety and Health Program was discussed, with emphasis on inspections and training. The DOL representatives were given a tour of the Headquarters and Printing & Photography Buildings after the conference in

e. The Security Education Group has recently completed the reindoctrination briefings for the Intelligence Community Staff. Some 250 people were briefed at both the Community Headquarters Building and at the Headquarters Building. Currently SEG is conducting tailored briefings for elements of the Office of Personnel Policy, Planning, and Management. The first of these was on 23 March for 65 people with the remaining 65 to be briefed on 26 March. (U)
